

FREE GARDEN WORKSHOP

Saving Seeds from the Garden

September 17, 2025 | 5:30PM - 6:30PM

Learn how to enhance the value of your garden by preserving and utilizing your own seeds for next year's garden! We'll cover some basic best practices, supplies needed, and suggestions on how to get started, including:

- Understanding seed histories
- Knowing how to select seeds
- Practical tips

Visit ccls.libcal.com or call the library at 610-857-5165 to register!
