

What role will Medicare play during your retirement?

You're Invited

The increasing cost of health care is a growing concern for current and future retirees. In fact, 25 years ago, retirees spent almost twice as much on food as on health care; now the amounts are nearly equal.*

Join us for our presentation *Health Care and Your Retirement*. We'll discuss:

- Medicare coverage and traditional medical expenses
- Long-term medical care expenses
- Strategies for addressing uncovered expenses

We hope you will join us. Feel free to bring friends and family.
