***The Chester County Library System is happy to update you on our current status and plans for reopening.***

- All CCLS Libraries have curbside or non-contact pickup available. You can still borrow library materials by reserving online or calling your library. To schedule pickups (when materials are ready for you) <https://bit.ly/ccclscurbside>. Each library has specific procedures for you to follow when you receive notification that items are ready for you. Note: once a library moves to in-person service, its curbside service may change.
- In order to comply with CDC guidelines, all materials that are returned will be subject to a 72-hour quarantine. No fines will accrue while materials are in quarantine. Staff will not be checking them in immediately, so if you are looking at your record, they will not clear right away.
- Currently, no library card expires until August 1<sup>st</sup>. We will review that as we get closer to the date and may extend that period depending on the situation.
