

# IS IT TIME FOR A REAL TALK ABOUT AGING?

## Some conversations are too important to wait:

As you or your parents become older, now is the time for a heart-to-heart about goals, wishes and potential needs—so you all can be ready.

## Heart-to-Heart: Conversations Around Aging

In just 60 minutes, get a better understanding of:

- The effect caregiving can have on relationships and finances.
- What key information will help support your loved ones.
- How to initiate healthy heart-to-heart conversations.
